**Rally to Break the Oil Blockade of Cuba**

**Thursday, June 18, 2026**

**12:00 Noon**

**At: Brazilian Consulate  
300 Montgomery St. SF**

The criminal economic blockade of Cuba by the United States is aimed at crushing the people of Cuba and recolonizing the country for the billionaires and former Cuban capitalists. Hunger and death in Cuba is a direct result of Trump and the US war on Cuba.

In Brazil, Oil workers who are members of National Federation of Oil Workers (FNP) rallied on February 26, 2026 at the headquarters of the state owned oil company Petrobras to demand that the company send oil shipments to Cuba and break the blockade. It is time for Brazil and the Lula government to call a halt to this US imperialist blockade of Cuba and for Brazil to immediately ship the oil.
